

**TRIPLE BLEND *WITH OIL***  
**HEALTHY CUT**

# LONGER FIBRE CUT

## Triple Blend of Fibre

Balanced nutrition with high fibre and energy, ideal for all horse types including Lucerne, Oaten and Wheaten or Rhodes Grass (depending on seasonal availability)

## Longer Cut Fibres

Encourages natural chewing behaviour, supporting digestion and mental wellbeing.

# REDUCED DUST

## Infused with Canola Oil

Enhances palatability and provides a source of cool energy.

## Dust Extracted & Moisture Controlled

Lower risk of mould and respiratory issues for both horses and handlers.

## Clean & Consistent

Ideal for use at home or while travelling, reducing exposure to parasites and unfamiliar feed sources.

**Ideal for performance horses, fussy eaters, and those with respiratory sensitivities. This clean, dust-extracted blend supports digestive health, condition, and safer feeding during travel or at home.**
